Sec.

- 205.1 Purpose.
205.2 Applicability.
205.3 Definitions.
205.4 Background and policy.
205.5 Responsibilities.

(b) Establishes policies, assigns responsibilities, and prescribes procedures for signing EUCs on foreign defense items.

§ 205.2 Applicability.

This part applies to the Office of the Secretary of Defense; the Military Departments; the Chairman of the Joint Chiefs of Staff and the Joint Staff; the Unified and Specified Commands; the Office of the Inspector General, Department of Defense; the Defense Agencies; and the DoD Field Activities (hereafter referred to collectively as "DoD Components").

§ 205.3 Definitions.

§ 205.4 Background and policy.

This part is intended to authorize the execution of EUCs when such a certificate is necessary to facilitate purchases of foreign products when the purchase of such products is in the best interest of the United States.

(a) The Military Departments and other DoD Components purchase products produced by allies and friendly countries and participate in cooperative development programs to promote interoperability, standardization, and an expanded procurement base, and to obtain products that best meet U.S. needs at the lowest cost.

(b) U.S. worldwide security responsibilities are extensive and recognition of these special circumstances has resulted in long-time acceptance in international agreements, by allies and friends, of the need for flexibility in the authorized uses or transfer of purchased or co-developed articles and data. In various circumstances, international agreements have recognized that permissible use of an item or data for U.S. "defense purposes" as defined in § 205.3(b).

While most EUCs requested by foreign governments use general language, their effects may be divided into three categories, as described in the following paragraphs. Authority to approve their execution is limited as follows:

(1) Category I. Secretaries of the Military Departments and Directors of Defense Agencies may authorize EUCs:

(i) For acquisition of items classified for security purposes by a foreign government.

(ii) For the acquisition of items covered by the nonproliferation agreements to which the United States is a party, such as missile technology, or

(iii) That permit the item to be "used for defense purposes" as defined in § 205.3(b), by the United States.

(2) Category II. EUCs that are not Category I or III are Category II. Secretaries of the Military Departments and Directors of Defense Agencies may authorize Category II EUCs only after a determination is made through the
